

# “Cleaning up” Myths about Homelessness

The best way to know  
someone is to walk a  
mile in their shoes.

Each year the San Rafael Leadership Institute, a program of the San Rafael Chamber of Commerce carries out a class project. This year's project will consist of a clean-up event with 20 Downtown Streets Team members throughout East San Rafael. The event will serve to kick-off a myth-busting media campaign about homelessness.
