

# DON'T DRIVE, BE HAPPY!

Learn about commute options for your employees at a free event on June 13th.

Transportation is the biggest source of air pollution in Marin. The majority of people commuting to Marin drive alone and Marin has the longest average commute time in the Bay Area. The longer your employees spend in traffic, the less happy they are!

**It's easy to do your part. Come find out how.**

**Go Time Marin Kick-Off**

**Thursday, June 13th, 5:00-7:00pm**

**Embassy Suites, 101 McInnis Parkway, San Rafael**
