

Happy Fish Swim School Summer Lessons!

We offer a wide variety of group and private swim lessons! The Happy Fish Swim School emphasizes fun and safety in the aquatic environment through guided instruction by a professional swim instructor. Why not make this the year you dive right into aquatics?

Group lessons are available for children as young as 6 months! Private and group weekend lessons begin as early as mid April and continue through the summer! Our intensive summer swim program starts June 17. It's never too late to start thinking about skills that are not only fun but could also save you or your child's life.

Once your child has successfully demonstrated all required skills, he or she is eligible to move to the next level.

Happy Fish Swim School Lesson Policies:

- If you sign your child up for a level that they have successfully mastered, let us know and we will transfer them to another level at no charge. During lesson, instructors may move your child up or down a level to match their skills.
- We recommend signing up for 2 consecutive weeks to ensure the success of your child.
- If a level does not completely fill, we may combine students with similar skill/ability.
- Refunds, credits or transfers must be requested a minimum of 2 working days prior to the start of a session. Requests must be done in writing or in person.
- Please sign up in advance, we cannot guarantee same day registration.
- Children not potty-trained must wear an approved Swim Diaper.
- For each group or private swim lesson you may arrive at the pool 15 minutes early and stay 15 minutes after.

STAY & PLAY:

Student in lesson can stay and swim for no charge for that day. If you or anyone else in your party would like to stay and swim, you must pay the daily admission fee or have a season pass.

PRIVATE SWIM LESSONS!

Private swim lessons are available. We offer a one on one student to teacher ratio or you may sign up for a semi private lesson. A semi private lesson is designed for two students (similar swim level) assigned to one instructor. Lessons are thirty minutes in length. Private lessons allow you the flexibility to schedule lessons around your availability. An instructor is assigned based on your needs and will coordinate lessons based on your availability.
