Splash Camp

Welcome to Splash Camp and Splash Camp II. Before your child starts at camp, please make sure the following forms are complete and submitted as soon as possible, but at least one week prior to camp starting. Forms include:

1. Parent Pick-Up – this is to be completed if someone other than the parent/guardian is picking up from camp.
2. Swim Lesson Level form – please reference the group swim lesson chart and sign up your child for where you think your child should start in swim lessons.

Complete and return the forms by fax, email, mail or in person to the Terra Linda Community Center.

Camp Staff are eager to meet you and your child and have a fun filled week of games and activities planned. Campers will be spending time at the pool for some splash time or a swim lesson, at the park playing fun filled games, at the playground or creating a craft to bring home and display. Your child will be outdoors so please dress appropriately. If your child has any allergies or special requests, please communicate them directly with camp staff on Day #1 or call the Terra Linda Community Center at 485-3344 to notify staff in advance.

Camp staff are certified in First Aid, CPR for the Professional Rescuer including AED and most weeks one of the staff members is also a lifeguard. All staff over 18 years of age, complete a background check with fingerprints.

Where to Meet: Upon arrival, please check in with pool staff or a member of the camp staff team will meet and direct you to your camp. You need to check in and sign in your child with the staff. Please make sure you sign in and out daily.

Pick Up: Parents are required to pick up their children and check out with camp staff daily. You will need to complete a separate form (attached) if someone other than parent/guardian is picking up the child. We will not release a child without the completed form or documentation from you verifying who is authorized to pick up. You or your authorized pick up person will need to sign out and non-parents will need to have proper identification to sign out.

Swim Lessons:

Each child will participate in group swim lessons, Monday, Monday-Thursday and will be taught according to his/her level. Campers will have free play time in the pool daily. Please complete the section of the Swim Lesson form that identifies where you feel most comfortable allowing your child to swim on their own. Lifejackets will not be available. A staff member will be in the water with the campers and lifeguards will be on deck. Alternate activities will be available for children who do not wish to participate in Free Swim.

What to bring:

Backpack:

A labeled backpack is the best way to keep track of your child's belongings.

Camp Attire:

Your child should plan to be active at camp. **Closed-toed shoes are mandatory for all days of camp so they can participate in games and activities that require running. Swim Suit and Towel required. Please have your child come in a swim suit. Swim Lessons will be held in the morning. Please keep valuables or special toys and home and make sure your child's items are labeled.**

Sunscreen:

Please apply sunscreen to your child prior to their arrival at camp. Pack sunscreen in their backpack with their name on it. Camp Staff will have regular sunscreen and water breaks to ensure it gets reapplied.

Lunch & Snack:

Please pack a snack and lunch daily including a water bottle. Please **do not use glass** containers or glass water bottles or containers. Campers will have a snack break and lunch daily. Campers will not have access to a refrigerator or microwave.

Late Fees:

Please pick up your child on time. Camp staff have other obligations once the camp day ends. We do not have aftercare available. If punctuality at time of pick up becomes a concern, we will charge a late fee of \$1.00 per minute until your child can be picked up.

If you have any additional questions, please call 485-3344 or email:
