

Pre-Tax Transit Benefit Enrollment Form

The City of San Rafael is pleased to introduce a pre-tax transportation fringe benefit program to all employees who utilize public transportation or vanpools*.

This transportation fringe benefit program will enable you to take advantage of the IRS 132(f) tax code provision allowing employees to take a pre-tax deduction from their salary up to **\$255.00 per month** for transit.

Employees do not pay federal and state income, Social Security or FICA taxes on money that is set aside for these pre-tax benefits. Employees who set aside monies for transportation fringe benefits can save significantly per year with pre-tax savings.

Employees who elect to participate:

- Will receive a voucher which is used as the dedicated benefit payment when purchasing transit passes or loading fare media value (Clipper Card) from transit authorities and its retailers. The nearest location to purchase passes is at the Customer Service Center at the San Rafael Transit Center. They are open M-F, 7am-6pm.
- Can request benefit voucher in the exact amount as needed (e.g. \$50, 65, \$101.25, \$125, etc.).
- Can contact TranBen customer support with questions by phone at 877-587-6236 or by email at support@tranben.com.
- May use the transit voucher for over a year (validity period).

This transportation benefit is for the exclusive use by City of San Rafael employees, and cannot be transferred, sold, or given to anyone else. This benefit is only for use with public transportation or vanpools*. **Carpooling, individual driving, tolls, gas and parking for occasional work related purposes are not eligible for this benefit.**
