Marin County Office of Emergency Services	The Marin County Telephone Emergency Notification System (TENS) is a high speed communications system that delivers emergency information or warnings to designated geographic areas. TENS is a combination of telephone, computer, and Geographic Information System (GIS) technologies	http://www.marinsheriff.org/about.aspx?gi_id=46&CFID=128525&CFTOKEN=78727891 3501 Civic Center Drive #266 San Rafael, CA 94903 (415) 473-6584 (415) 473-7450 Fax Email: mailto:oes@marinsheriff.org
Town of Ross	The Ross Police and Fire Departments are compiling voluntary information on Ross residents who during an emergency or crisis situation might be unable to communicate the information themselves.	To download the registration form: http://www.townofross.org/pages/public_safety/community_preparedness.html#special_needs
State of California Emergency Alert System	State of California - Emergency Alert System (EAS) - created to enable Federal authorities to warn the American public of a national emergency via the nation's broadcast stations and other communications resources. It was subsequently expanded to enable the National Weather Service and local authorities to warn the public of any threat to the public health, safety, and welfare. The EAS was never used for an actual National emergency but it has been used thousands of times to warn of local, natural, or manmade threats.	http://www.fcc.gov/guides/emergency-alert-system-eas
