Crime Prevention

The following tips will help reduce the risks for your household at any time:

- Report anything suspicious DAY OR NIGHT to the local police department.
- Keep all doors and windows locked.
- Do not leave valuables in your car and keep doors locked at all times.
- Activate your car and home alarms when unattended.
- When going out of town, notify your local police department for a vacation house watch (extra patrol) and stop mail and newspaper delivery.
- Have a secure mailbox or P.O. Box to receive important mail.
- Shred all personal information and important documents.
- Check your credit reports annually from all three credit bureaus.
- Make a copy of everything in your wallet, including account information in case your wallet is stolen.
- Keep itemized lists of personal property with serial numbers in case of loss.
- Do background checks on employees at your home & business.
- Trust your instincts.
- Contact your local police department for additional information.

If an Emergency Strikes...

For an Earthquake:

- Check for injuries.
- Check for damaged gas, electric and water lines.
- Shut off utilities only if damage is suspected.
- Check for structural damage.
- Check with neighborhood coordinator or listen to the local emergency broadcast radio station. (KCBS AM 740 of 106.9 FM)
- Check on neighbors.
- Prepare for aftershocks.
- Keep street clear for emergency vehicles.
- Listen to radio and stay off the phone.
- Retrieve your emergency supplies and Emergency Preparedness Handbook for additional information.

For a Wildland Fire:

- Stay calm - keep family together.
- Alert your neighbors.
- Check with neighborhood coordinator or listen to the local radio emergency broadcast station. (KCBS AM 740 of 106.9 FM)
- Keep flashlight and portable radio with you at all times.
- Dress in cotton or wool long pants, long sleeved shirt, gloves, hat, goggles, carry towel or bandana to protect against smoke.
- Confine pets.
- Follow evacuation instructions from public safety officials or emergency broadcast radio.
- Be ready to leave on foot or bicycle in order to keep roads clear for emergency vehicles.
- If time permits:
 - Close windows, blinds, doors.
 - Remove curtains and drapes.
 - Shut off gas.
 - Place a ladder against the house on the side away from the fire.
 - Attach garden hoses to spigots.

Fire Preparation Checklist

Protecting lives from fire

- We have at least one fire extinguisher in our home (preferably 2-A; 10-B:C) and know how to use it.
- We change the batteries in our smoke detectors when we change our clocks.
- We are familiar with the evacuation routes in our neighborhood.
- We do not overload our electrical outlets.
- We store flammable liquids in air-tight containers away from ignition sources such as pilot lights.

Landscaping against fire

- We have cleared our property of excess and dead vegetation.
- We have trimmed low and overhanging tree branches.
- We keep the grass cut at least 100 feet from our home, as required by law.
- We will not plant highly flammable plants in our yard.
- We have garden hoses connected to all outside faucets.
- We do not store fire wood near the house.

Home maintenance

- Our house numbers are large, contrasting colors and easily read from the street.
- We have spark arresters on our chimneys.
- Our roof is fire-retardant.
- We keep leaves & debris out of our rain gutters.
- If we remodel or build, we will incorporate fire-resistive building practices and materials including sprinklers.

Personal Disaster Plan Checklist

- We have conducted family fire and earthquake drills.
- We know two ways to evacuate our neighborhood by vehicle and on foot.
- Family members know where to meet for family reunification after a disaster.
- We have designated an out-of-area relative or friend as our emergency contact and have instructed family and friends to contact that person to inquire about our safety.
- We carry our contact's phone number in our wallets.
- We have inventoried our belongings and home furnishings.
- We have taken steps to protect our family's vital documents.
- We know our child's school emergency plan and hold/release policy.
- My child (if so instructed by the school) has a comfort kit in the school's emergency supply storage.

Earthquake Preparation Checklist

Surviving the Event

- My family and I have taken the Get Ready course and certified our family's preparedness.
- My family and I have taken the CERT course and certified our family's preparedness.

Home preparedness

- We have stored emergency food and water and other supplies.
- We keep mini-survival kits in our cars.
- We keep mini-survival kits at our workplaces. (The Get Ready manual (page 8) discusses car and work Mini-Survival kits.)
- We know the location of our utility valves and know how to shut them off. We have attached the necessary tools to the shut-off valves.
- We have done a home hazard hunt and corrected any hazards which we found.

Emergency Supply Checklist

We have stored the following emergency supplies:

- Food for family members and pets for 5-7 days.
- A minimum of 5 gallons of water per person (1 gallon per person per day for 5-7 days).
The more water you can store, the better off you will be.
____ people in household x 5 gals = ____ gals (absolute minimum) needed.
